I've completed my review of the subject document and have only one comment at this time.

Based on the changes we made to the Schedule of the Activities during our partnering meeting on 7/28, please ensure that the correct planned completion dates for various documents are updated as necessary in the Site Descriptions, e.g. the Site 21 SSI Report on page 3-4 and the Site 5 ERI on page 3-8.

Thank you for the opportunity to comment.

Josh,  
Do you have any comments on the SMP? We're hoping to finalize it.
